(ANUTONE FOUNDER DIRECTOR 1.12.1966 - 28.8.1988)

# Thank You

Dear Patron

On the occasion of the Golden Jubilee of Anutone we celebrate 50 years of manufacturing excellence and acoustical passion.

In December 1966 our founder and my father, Late Virendra Nath Mittal, began an amazing journey from Kolkata with just a dream and a hope of a value-based enterprise that will serve industry and society.

In a garage set-up, a handful of wood wool boards were made for the first time in India. Those boards are now called Strand. His wife and my mother, Priyadarshini Mittal, was the office assistant and two workers his shopfloor companions.

Thanks to that flame being lit and enduring values of integrity, quality and service that the team carried forward, today that enterprise is a raging bonfire called Anutone that architects, consultants and clients trust, across India and the world.

Today on our Founder's Day we pledge to continue the rich legacy of value-based work, that our teams inherited, as we rapidly transform Anutone to meet the ever changing needs of the modern marketplace.

**During this journey of 50 years, Anutone is lucky and blessed to have received the support of well-wishers like you. Anutone is what it is today because of you too. I appreciate your being a part of this journey. Thank you for your contribution.**

I look forward to the same into the future. Come let us together furnish the buildings of tomorrow with state-of-the-art acoustics, drywalls, ceilings and paneling.

With gratitude and warm personal regards

Sandeep Mittal
