

## Anutone's new supersonic website

Anutone's new website, though a work in progress, is live now with super features and jetspeed for instant browsing

## Tufbloc for decorative ceilings

Did you know that Tufbloc can provide decorative ceilings that are easily moulded from the base board at site? Our latest project with PWD in West Bengal is testimony!

The result is not only decorative but a ceiling that is highly fire, water and noise resistant apart from gripping fixtures easily due to its superior screw holding capacity.

Use Tufbloc for all your decorative ceiling and wall lining finishes. Tough aesthetics that are rugged and durable is the new paradigm in interior architecture!!!

PWD Guest House, Digha, West Bengal

## Thanks for your patronage

The marketing team visited more well-wishers of Anutone across India and presented them with special mementoes. This was in appreciation and gratitude for their contribution towards Anutone's successful completion of 50 years of manufacturing excellence and acoustical passion. We look back at 1966-2016 with satisfaction and look forward to your support for 2017-18 and beyond. Thank you one and all!
