

Anutone in the N-E-W-S

Latest acoustical projects across India
in different segments and applications

From the banquet hall of a hotel in Shimla to the lecture halls and conference rooms of an educational institute in Odisha, from the multipurpose auditorium of another educational institute in Goa to a planetarium space in science city of Chennai, from a library under smart cities project of Raipur to many more projects across India, Anutone continues to exhibit thought leadership in acoustical panels, systems, solutions and services

N - NORTH

Hotel Marina

www.marinashimla.com

Place - Shimla

Segment - **Hospitality**

Installer - F2C Interiors

Architect - Kamat

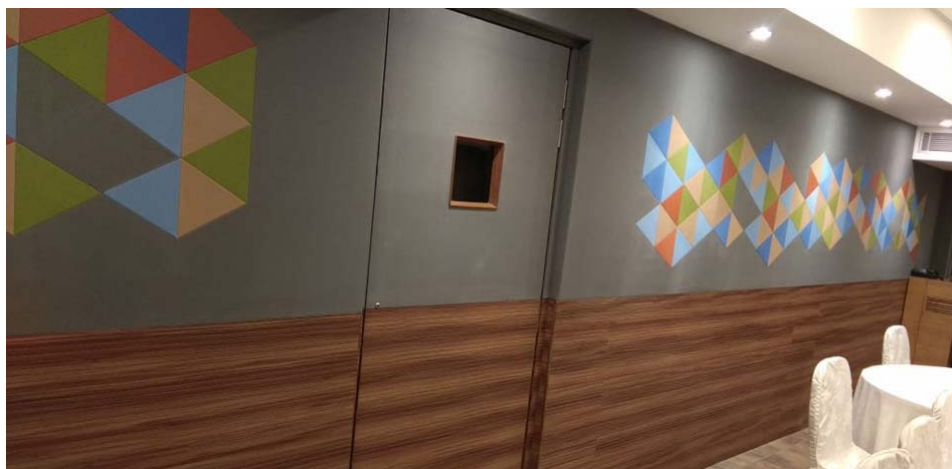

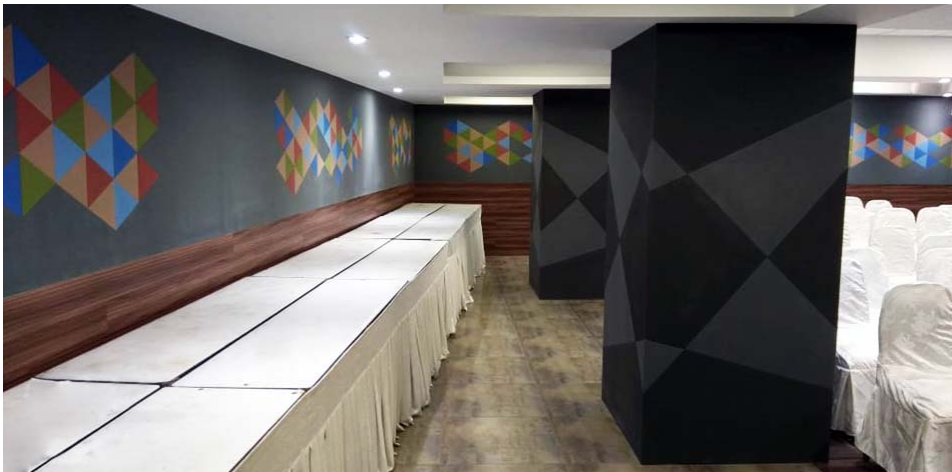

Products - Slats Surco,
Spun Hush

Banquet halls are used for business meetings, product launches, fashion shows and the big, fat Indian wedding, of course!

This makes banquets a potential source of annoying noise to other resident guests and reverberant interiors for attending invitees, both being uncomfortable situations.

Hotel Marina, Shimla gets it right with Anutone's product solutions executed to perfection by it's authorised applicator.

E - EAST

Centurion University of Technology and Management

www.cutm.ac.in

Place - Jatni, Khordha Dist
Odisha

Segment - **Education**

Installer - Cineteek

Products - Mat Solo, Strand

Jatni or Khurda Road Junction, a suburb of Bhubaneswar, capital of Odisha, is made famous by the Indian Railways as it an important junction between Kolkata and Chennai.

Jatni now has a landmark in CUTM as a significant education hub of the region, made acoustically compliant for its lecture halls and conference rooms with Anutone ceilings installed by Cineteek.

W - WEST

Government College of Arts & Commerce, Pernem

www.govtcollegepernem.org

Place - Goa

Segment - **Education**

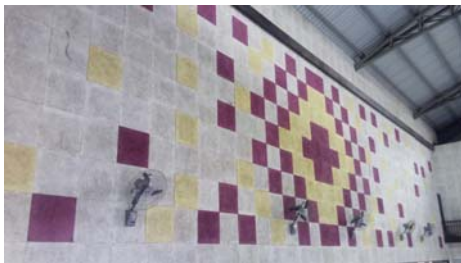

Architect - Milind Ramani

Dealer - Harshada Trading

Products - Strand Colour

For the multipurpose auditorium in its educational campus, Pernem Government College, chose Anutone's Strand Colour installed in an interesting pattern on the auditorium walls.

Strand Colour is factory-painted acoustical panels with a fine-filament face surface and coarse substrate to ensure deliberate impedance mismatch for variable frequency sound absorption (broadband)!

S - SOUTH

Science City (PWD)

www.sciencecitychennai.in

Place - Chennai

Segment - **Planetarium**

Installer - Matrix

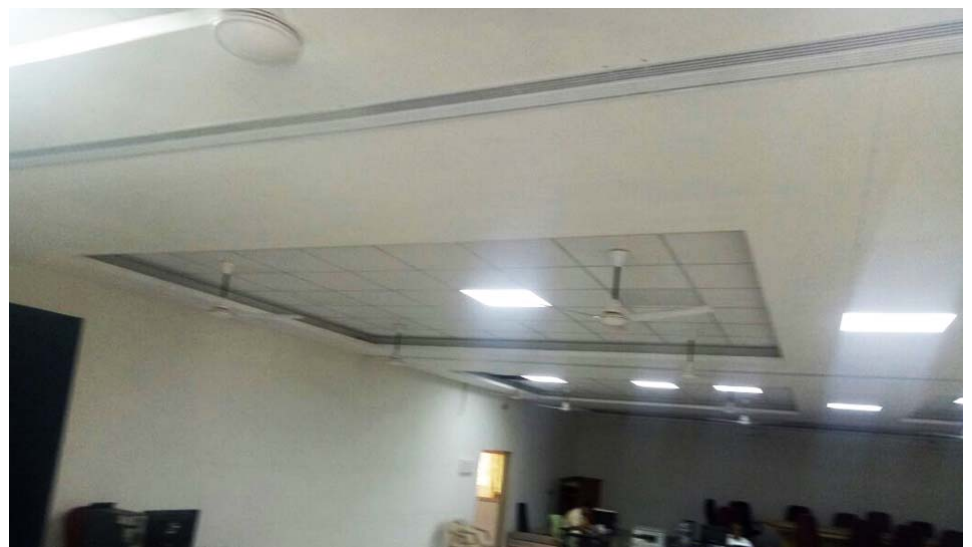

Products - Subtex Ebony,
Subtex Nubby

Random placement of a few Subtex Ebony acoustical ceiling tiles in an overall design of Subtex Nubby on Skelet Trellis creates an interesting pattern for this planetarium in Chennai.

Overall the Anutone ceiling deadens the reverberations off other smooth, hard surfaces

One of India's leading dealer and applicator, Matrix, executes the project to perfection, as always!

CENTRAL**Oxyzone Reading Library (Nalanda Parisar)**

www.raipur.gov.in/gallery/oxy-reading-zone

Place - Raipur

Segment - **Smart Cities**

Installer - Newlook Furnishers

Architect - Zakir Khan
(Buildkraft)

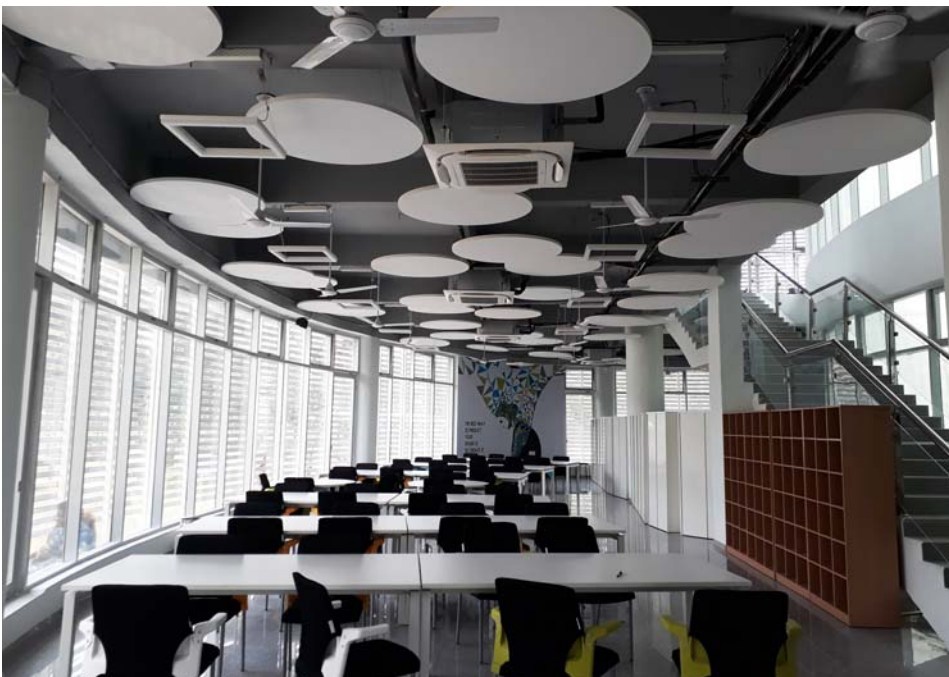

Products - Subtex Shapes
Nubby Circle

One of the first projects to take off under the Smart Cities plan of the Central Government, the Oxyzone Reading Library is part of the larger campus in Raipur.

Smart cities has a refreshing new approach to government planning and design. Acoustics plays an important role in building interiors.

For this library an open plenum circular discs in ceiling creates an interesting visual space.

New edition of Quick Guide 2018

Anutone updates it's QG with latest info

Anutone's popular Quick Guide or QG is an overview of its vast portfolio of products and projects for acoustical drywalls, ceilings and panelling. Release 4.0 just got launched for 2018-19. Request your FREE hardcopy today.
