| | | |
|---|---|---|
| Place | - | Gurugram [NCR] |
| Segment | - | **Office** |
| Architect | - | Ultraconfidentiel |
| Installer | - | GMGR |
| Products | - | Spots MP3 Oak Roble and Skelet Trelis Ebony grid |

**The contrast beauty of wooden ceilings offset with black grid systems and all with effective acoustics built in for a superlative solution**

The definitive look desired was of warm, light tones of a wooden ceiling set against the sharp, dark lines of a visible grid. And the definitive feel desired was of comfortable, echo-free interiors.

Anutone delivered the combination, flawlessly executed by GMGR, with Spots MP3 Oak Roble on Skelet Trelis Ebony. What you desire is what we deliver and imagination gets truly realised !!!

### Gujarat Council of Educational Research and Training (GCERT)
www.gcert.gujarat.gov.in/gcert/

| | | |
|---|---|---|
| Place | - | Gandhinagar [GJ] |
| Segment | - | **Education** |
| Contractor | - | Vinayaka |
| Installer | - | Balaji Associates |
| Products | - | Subtex Nubby, Slats Surco, Stretch Hush |

**What NCERT is for India, GCERT is for Gujarat and for their academic auditorium they chose Balaji to install Anutone**

The light reflectivity of a white grid ceiling that reduces lighting load for an enclosed space apart from creating the illusion of volume contrasted with wood-fabric panelling that complements the furniture and flooring all to create a pleasant ambience for meetings and seminars where voice communications plays a primary role.

## Indian Institute of Management (IIM)

www.iimraipur.ac.in/

| | | |
|---|---|---|
| Place | - | Raipur [CG] |
| Segment | - | **Education [Classrooms]** |
| Architect | - | Arcop |
| Consultant | - | Lee Consultants |
| Contractor | - | NCC \| Mythri Enterprises |
| Dealer | - | New Look Furnishers |
| Products | - | Strand Colour White |

**IIMs being environmentally conscious organisations like their acoustic interiors to be natural with quality green product systems. Hence Strand Colour was the natural choice for acoustical white grid ceilings**

Lecture halls of premier institutes like IIMs are smart classrooms with AV forming an important component of learning. It is a unique combination of the traditional green board for chalking and white screens on either side for projection. This calls for extra-wide classroms with curved seating. Hence the need for precise but practical acoustics as delivered by Anutone through New Look Furnishers !!!
