

Anutone Salon Series - Slats Surco

15 Fabulous Features

	Attribute	ANUTONE	Others	ANUTONE Advantage
1	Core	 Pure Pinewood	 Mixed Wood	The winning pinewood qualities of pine oil for healthy longevity and natural softwood for superior acoustics
2	Emission	 E1 Class	 E2~E4 Class	E1 is lowest Volatile Organic Compound (VOC) for superior Indoor Air Quality (IAQ) - no indoor air pollution
3	Fire Class	 5-test Fire Retardant*	 1-test Flame Resistant	True FR (pink core) Fire Retardant versus surface treatment by others for only FR (yellow core) Flame Resistance
4	Facing	 High quality	 Local	Superior melamine laminate and natural veneer options with guarantee of no delamination under normal occupancy and usage

5

Face
groove

2mm (extra fine)

3~4mm

Heavy-duty high-precision global CNC machines to achieve the more difficult 2mm face groove than the much easier 3~4mm groove

6

Rear
scoring

Yes

No

Rear scoring to optimum depth helps to balance the panel and prevent sag or warp over the lifecycle under normal occupancy and usage

7

Rear perfs

10mm @ 25mm

10 @ 50mm

More holes per square metre for more effective sound absorption and echo cancellation - no compromise on acoustical performance

8

Rear fleece

Soundtex

Local

Made in Germany by Fruedenberg Nonwovens to precise requirements - 0.27mm thick & 63gsm density - Scientifically tested for best sound impedance

9

Backing

Available SynthPF

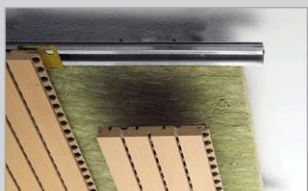

Nil

Options of performance enhancer by SynthPF overlay or infill with integrated certification for acoustics by accredited laboratory

10

Framing

Available

Nil

Not only panel support framework like Strut CC18 but also additional framing for more airgap with certified testing of integrated system

11

Variants

Multiple

Single

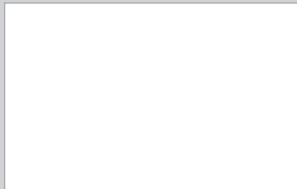

Not only Slats Surco but variants like Slats Diffuse, Slats Sonator, Slats Spots combination that works best for optimum acoustics

12

Tech Support

Pre & post sales service

Nil

From technical support for drawings to product supply to installation guidance full project support is offered. Nil such support by traders and casual importers.

13

Team

All-India

Local

Anutone has in-house sales team at every major state capital and a 50+ channel partner all-India network with average experience of 10+y

14

Introduced

2007 - 11 years

Recent

11 years of product experience makes us well-equipped for the climatic conditions of India and unique situations of project sites

15

Company

Since 1966

Recent

52 years of industry insight, experience and track record. Anutone is the only company in India with such continuous service to the ecosystem

**Note - 5-test Fire Retardant - Class 1 as per BS476 Part6 Propagation and BS476 Part7 Surface Spread of Flame and ISO1182 Combustibility, Class 'p' as per BS474 Part5 and optionally ASME662 for optical density of smoke. 1-test Flame Resistance as per BS476 Part 7 Surface Spread of Flame*
