*\*Depicted colours on the above swatch cards may not match the actuals and are for illustrative purposes only. Actual shades will vary from paper print and digital screens. Submitted samples and mock-ups may also not match the actuals. Due to limitations in the manufacturing process and dyeing technology the colour, hue, tint, saturation is subject to inevitable variations from batch to batch. Anutone marks cartons as Type 'A', 'B', 'C' etc to ensure contractors install each type on a single surface to overcome shade variations inherent to such acoustical fabrics. Colour choices are subject to change without prior notice due to continuous improvement programs at Anutone. Thank you for your understanding and due diligence.*
